HIKE AND B.Y.O. PICNIC

**WHEN:** July 11 (no raindate) 1:00 PM. Meet at the Unitarian Church in Fountain Hill, Bethlehem, where car pools will form.

**WHERE:** Glen Onoko, just north of Jim Thorpe. This is a narrow, steep gorge through which a stream cascades down to the Lehigh River. There are three waterfalls near the top, and lush vegetation all the way.

**TERRAIN:** Lower part has smooth, gradual trail. As one goes higher, the way becomes steeper and rockier. A helping hand may be necessary at times. For those who do not feel up to going all the way, there are many large boulders and fallen trees to sit on. Near the top are several large flat areas to spread out a picnic or to sun.

**LENGTH:** Driving time is about an hour; hiking time is from 50 minutes to 1-1/2 hours up, less coming down. Plan on about 6 hours in all.

Bring your own picnic fare. If in doubt about cancellation or for more information, call Bob Steelman, (215) 821-4852.
